## Buzz Educational Activities for Pennines Township Schools

Get your school involved in an exciting new project, learning how to create better habitats for bees and other pollinating insects in the Pennines area.

Choose from a range of hands-on activities including:

- Bulb planters**
- Solitary Bee homes**
- Her-Bee pots**
- Green willow weaves**
- Wildflower planters**

**Bernard Bee's Passport to Plants and lots more .....**

**Buzz Educational Activities are half day workshops which can take place at school, or in your local park / countryside area.**

**We provide all the equipment and resources.**

**Workshops are FREE thanks to funding from Pennines Township, Rochdale Borough Council**

**1 workshop per school, booked on a 1st come, 1<sup>st</sup> served basis.**

**NatureEd facilitators are qualified Level 3 Forest School practitioners, have DBS clearance and public liability insurance.**

**To book email: [info@NatureEd.co.uk](mailto:info@NatureEd.co.uk)**

**or ring Jude 07880598022 / Judy 07711932128**
